THE 1962 EAGLE

Hennessey High School Hennessey, Oklahoma

ALMA MATER

When the twilight shadows fall,

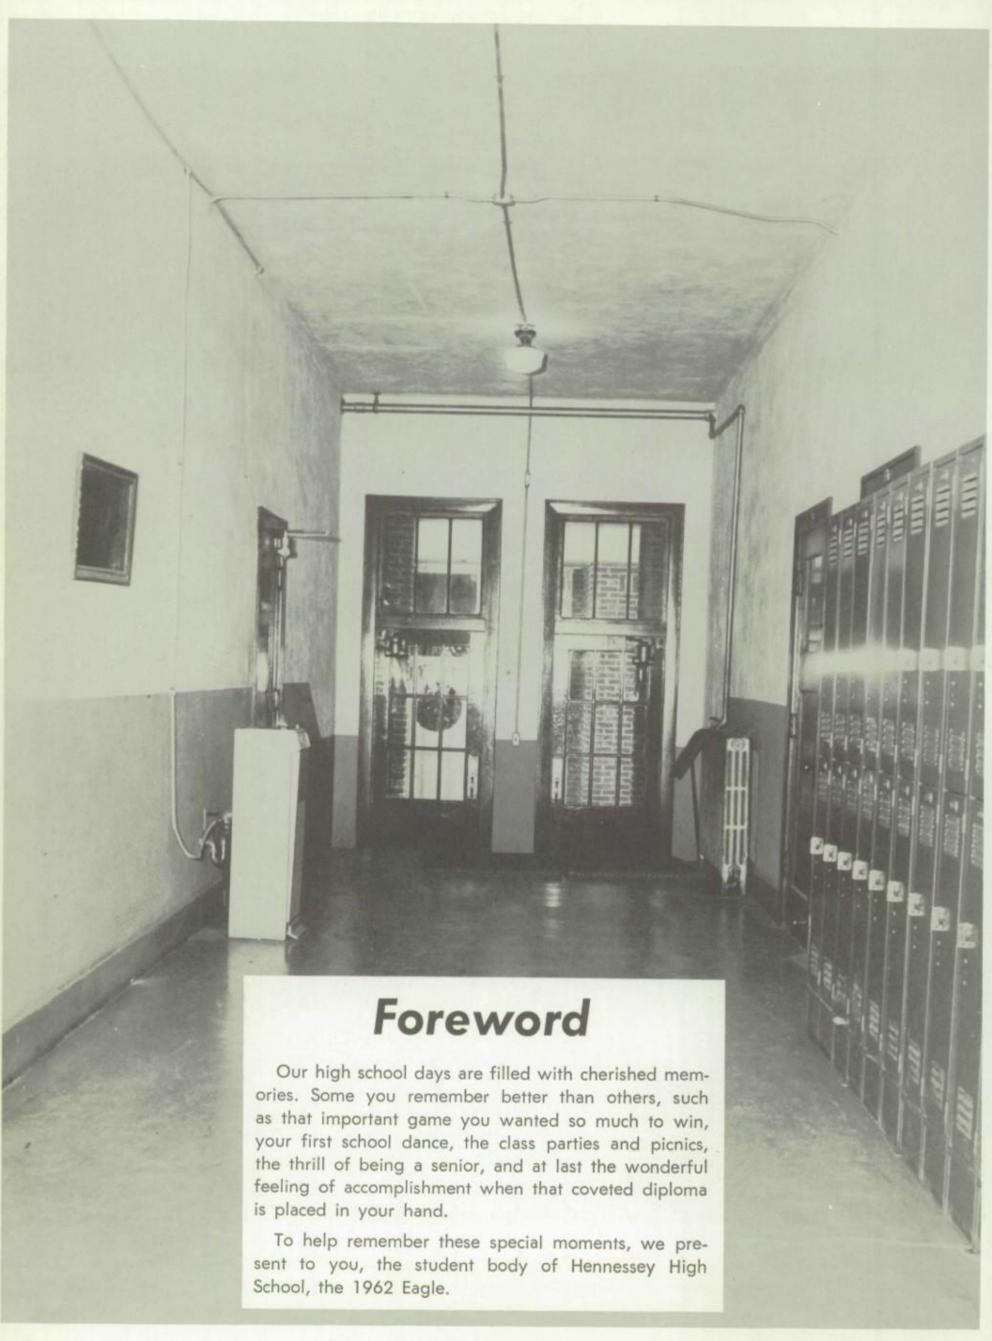

And I'm sitting all alone,

Then come memories dear to me of Hennessey.

When I think of all that she,

Through the years will mean to me,

Then my heart with love o'er flows for Hennessey.

Dedication

To you who have understood, assisted, and encouraged us; to you who have sacrificed so generously to prepare us to take our place among citizens of this world—to you, dear parents, we seniors of Hennessey High School dedicate our 1962 Eagle.

HENNESSEY, OKLAHOMA

This picture is one of the common sights around the town of Hennessey, an oilwell. The first well was drilled in October of 1958. In the county, now, there are over 700 wells, and there have been only 4 dry holes. The population of the town in 1958 was approximately 1300. Now, the population is over 3,000. There are six different oil zones in the area. They are: Meremac, Cleveland, Oswego, Manning, Red Fork, and Skinner. Hennessey is a growing, industrious community, thanks to the many people who have made it that way and will keep it that way.
